Derek - 5* **Excellent Service** As a first time buyer I hadn't a clue about Mortgages but Mark at Edinburgh Mortgage Advice explained everything to me. He found the perfect mortgage for me and my circumstances and kept me informed throughout the whole application process. I would definitely recommend this service and will use this company again when the time comes.

'B' - 5* **Very Efficient, professional Service** Also as a first time buyer, Mark at Edinburgh Mortgage was excellent. He ensured all our mortgage requirements were met, and indeed exceeded. He kept us fully informed of progress and helped us turn around a mortgage within 30 days, which in the current climate is absolutely unheard of! I would recommend Mark at Edinburgh Mortgage to all, he has a very calming approach which is always handy during the stressful house buying process... Will certainly use in the future.
